

Bike mechanic m/f

Seasonal fixed-term contract for the 2025 season

Are you passionate about cycling and dreaming of joining a team where dynamism and innovation are the watchwords? Then this ad is for you!

At France Bike Rentals, we don't just rent out top-of-the-range bikes, we provide an experience. Based at the foot of majestic Mont Ventoux, our company is much more than just a bike rental service: it's a hub for cycling enthusiasts. France Bike Rentals is now the leading premium bike rental company in France, with a fleet of over 1,200 bikes.

As a bike mechanic, you'll have the opportunity to get right to the heart of the action, working with top bike brands like Pinarello, Trek and Scott, and joining our team on the roads of Europe at the most prestigious events, from the Tour de France to the Ironman. At France Bike Rentals, adventure and a passion for cycling are an integral part of our DNA. If you want to be part of a young, dynamic and ambitious team, then send us your application today and get ready for an unforgettable professional experience in the heart of Provence, where cycling becomes a real passion.

Duties:

The main mission of the position is to prepare and carry out routine maintenance on cycles at the workshop in Bédoin, as well as at events in France and Europe.

Your main tasks are as follows:

Technical aspect:

- Assembling and adjusting new and used cycles in preparation for events
- Cycle repair and maintenance
- Carrying out all preventive and corrective maintenance work relating to the routine and periodic servicing of cycles
- Coordinating repair schedules with other mechanics and preparing spare parts orders accordingly
- Helping to promote the company's products and services
- Follow up after-sales procedures
- Advising and guiding customers

Sales Management

- Entering data into the CRM
- Printing invoices
- Monitoring stock levels and reporting restocking requirements
- Stocktaking

Events:

- Participate in Tour de France and Ironman-type events in France and Europe
- Ensure that events run smoothly according to schedule
- Manage on-site teams
- Participate in Bike Services (repair service for athletes)
- Interact with various partner organizations (Ironman, Haute Route, ...)

Profile:

You love to travel and cycling is part of your DNA, so join the FBR team!

We're looking for a bike mechanic with initial experience.

You're dynamic, passionate about the cycling environment and have solid technical skills in bike mechanics.

You're also a team player, so you can contribute to the cohesion and success of the group.

Seasonal employment contract from April to November 2025, based in Bédoin with regular travel in France and Europe for Ironman and Tour de France events.

Remuneration: according to experience
